Capstone Project Title:	Zentra: An Integrated Multi-Platform for School Forms, Behavioral Documentation, and Alternative Delivery Mode with Rule-Based Early Intervention Detection at Mati School of Arts and Trades	
Proponents:	1. Jeslito G. Geverola	3. Reogie Akero P. Mabawad
	2. Shekinah Abegail G. Jaljis	4.

Dear Expert,

We kindly request your expertise in validating the evaluation questionnaire aligned with the ISO 25010 software quality model. Please assess the questionnaire based on the rubric provided below. The overall rating will be based on the number of YES marks in your response to this validation form.

RATING SCALE *(Number of Yes responses):*

□ 10 (Excellent)

□ 9-8 (Very Good)

□ 7 - 6 (Good)

□ 5 - 4 (Fair/For revision)

□ 3 - 0 (Poor/For revision and revalidation)

Criteria	Yes	No
1. Are the questionnaire items aligned with the characteristics and sub-characteristics defined in ISO 25010 standard?		
2. Are the instructions and questionnaire items clear, concise, and readable?		
3. Is the vocabulary, language structure, and conceptual level appropriate for the intended respondents?		
4. Are the items logically presented and organized to facilitate understanding and completion?		
5. Do the questionnaire items accurately capture responses that align with the project's objectives and scope?		
6. Is the questionnaire practical and friendly in terms of administration and completion time for the intended evaluators?		
7. Does the instrument fulfill the objective for which it was constructed?		
8. Are the scales adapted appropriately to the questionnaire items?		
9. Does the questionnaire measure user satisfaction objectively without introducing bias from the proponents?		
10. Does the questionnaire demonstrate overall usability and practicality in evaluating software quality?
